## NextGen HIV Research: Tackling Critical Issues Head-On

ABSTRACT  
DEADLINE  
EXTENDED TO  
JULY 25

## REGISTRATION NOW OPEN!

Join the San Diego Center for AIDS Research on September 20 for a full-day symposium showcasing AI technology and discoveries that are revolutionizing the study, treatment, and prevention of HIV worldwide!

## CALL FOR ABSTRACTS

Abstracts are welcome on all aspects of HIV including clinical, behavioral, public health, or laboratory research. The submission deadline has been extended to Thursday, July 25, 2024.

Preference will be given to submissions from emerging investigators and/or research supported by SD CFAR core services or grant funding. See [cfar.ucsd.edu](http://cfar.ucsd.edu) for full details.

## KEYNOTE SPEAKER

### Douglas S. Krakower, MD

Associate Director, HU CFAR Clinical Core  
HU CFAR Executive Committee Member  
Associate Professor of Medicine,  
Harvard Medical School

## Implementing automated algorithms to improve PrEP prescribing

## RISING STAR AWARD

The best abstract by an emerging investigator will be selected for a featured presentation at Research Day. The author will also receive a \$200 gift card to the UC San Diego Bookstore!

**Abstracts Due: July 25, 2024**
