Yale University**

Organizers:

**Reuben Harris
University of Minnesota
HHMI**

**Theodora Hatziiioannou
Rockefeller University, New York**

The 24th annual West Coast Retrovirus Meeting will be held October 4-6 (Thu - Sat) at the Hyatt Hotel, in Palm Springs, CA. Scientific sessions will begin at 4:00 p.m. on October 4th and conclude on the evening of October 6th.

The goal of the West Coast Retrovirus Meeting is to bring together a stellar group of retrovirologists in a focused workshop-style meeting. The meeting theme is Antiviral Innovations and will provide an opportunity to discuss new information on many areas, including antiviral drug development, viral budding, structural virology and viral-host interactions.

We intend to generate vigorous discussion, hatch new ideas, and foster collaborations regarding the biology of retroviruses, HIV/AIDS and other viral pathogens.

Registration and Abstract Deadline: September 14th, 2018

Travel Award Deadline: August 31st, 2018

To submit an abstract please contact Nita Driscoll at nrdrisco@uci.edu
