

# **David (Davey) M. Smith, M.D., M.A.S.**

**Professor of Medicine  
University of California San Diego**

June 2019

**Office** University of California, San Diego  
Department of Medicine, Mail Code 0679  
9500 Gilman Drive  
La Jolla, CA 92093-0679

**Telephone** (858) 642-1620 (office); (619) 300-9638 (cell)

**Fax** (858) 552-7445

**E-Mail** davey@ucsd.edu

**Faculty URL** <https://profiles.ucsd.edu/david.smith>

**Lab URL** <http://id.ucsd.edu/faculty/smith.shtml>

**PubMed List:** <https://www.ncbi.nlm.nih.gov/sites/myncbi/colleen.reich.1/collections/57551211/public/>

## **Education**

1989-1992 B.S. in Biology, summa cum laude, Univ. of Tennessee at Chattanooga; Chattanooga, TN  
1992-1996 M.D., East Tennessee State University College of Medicine; Johnson City, TN  
1996-1999 Intern and Resident, Internal Medicine, University of California, San Diego; La Jolla, CA  
1999-2000 Chief Resident, Internal Medicine, University of California, San Diego; La Jolla, CA  
2000-2003 Fellow, Infectious Diseases, University of California, San Diego; La Jolla, CA  
2002-2005 M.A.S., Clinical Research, University of California, San Diego; La Jolla, CA

## **Board Certification**

1999-2019 Internal Medicine, American Board of Internal Medicine  
2004-2024 Infectious Disease, American Board of Internal Medicine

## **Appointments**

2002-present Medical Director, The Night Clinic, Family Health Centers of San Diego; San Diego, CA (serving gay men and transgender individuals with culturally competent care)  
2003-2009 Assistant Adjunct Professor of Medicine, Department of Medicine, Division of Infectious Diseases, University of California San Diego (UCSD); San Diego, CA  
2004-2013 Medical Director, San Diego County Early Intervention and Bridge Programs, UCSD Antiviral Research Center; San Diego, CA  
2005-present Staff Physician, Veterans Affairs Medical Center; San Diego, CA  
2005-present Director, HIV/HCV and HIV/HPV Co-Infections Clinic, Special Infectious Diseases Program, Veterans Affairs Medical Center; San Diego, CA  
2009-2018 Director, Translational Virology Core, UCSD Centers for AIDS Research, San Diego; CA  
2010-present Core Faculty, Internal Medicine Residency Program, UCSD; San Diego, CA

|              |                                                                                                                            |
|--------------|----------------------------------------------------------------------------------------------------------------------------|
| 2009-2013    | Associate Professor of Medicine in Residence, Department of Medicine, Division of Infectious Diseases, UCSD; San Diego, CA |
| 2012-2017    | Associate Director Infectious Disease Fellowship Training Program, UCSD; San Diego, CA                                     |
| 2013-2016    | Professor of Medicine In Residence, Department of Medicine, Division of Infectious Diseases, UCSD, San Diego, CA           |
| 2014-present | Co-director, San Diego Center for AIDS Research; San Diego, CA                                                             |
| 2016-present | Professor of Medicine Ladder Rank, Department of Medicine, Division of Infectious Diseases, UCSD, San Diego, CA            |
| 2016-present | Vice-Chair of Faculty, Department of Medicine UCSD, San Diego, CA                                                          |
| 2017-present | Chief, Division of Infectious Diseases and Global Public Health UCSD, San Diego, CA                                        |

### **University and Community Service**

|              |                                                                                                                                                             |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1997-2005    | Gay Men's Coming Out Group Facilitator                                                                                                                      |
| 2005-2017    | Permanent Member, San Diego County HIV Planning Council; San Diego, CA                                                                                      |
| 2005-2017    | Chair, Standards of Care Committee, San Diego County HIV Planning Council; San Diego, CA                                                                    |
| 2008-2014    | Board Member, Christie's Place; San Diego, CA (non-profit community support organization for women and families affected by HIV/AIDS) (President 2011-2014) |
| 2009-present | UCSD Chancellor's Advisory Committee on Gender Identity and Sexual Orientation Issues (CACGISOI, Chair 2011-2013)                                           |
| 2011-2015    | Chair, Institutional Biosafety Committee, Veterans Affairs Healthcare System; San Diego, CA                                                                 |
| 2011-2017    | AIDS Clinical Trials Group HIV Reservoirs and Viral Eradication Transformative Science Group                                                                |
| 2012-2016    | California HIV Research Program Scientific Advisory Board (Vice-Chair 2014, Chair 2015-2016)                                                                |
| 2013-2017    | Department of Medicine Committee on Appointments and Promotions (Chair 2016, 2017)                                                                          |

### **Fellowships and Honor Societies**

|      |                                                                                |
|------|--------------------------------------------------------------------------------|
| 1995 | AOA Medical Honor Society (Junior Year election, President Delta Chapter 1996) |
| 2014 | Fellow American College of Physicians (FACP)                                   |
| 2015 | American Society of Clinical Investigation                                     |
| 2018 | Fellow Infectious Disease Society of America (FIDSA)                           |

### **Honors / Awards**

|      |                                                                                                                 |
|------|-----------------------------------------------------------------------------------------------------------------|
| 1995 | Student National Medical Association Senior Leadership Award, East Tennessee State University; Johnson City, TN |
| 1996 | President, Delta Chapter of the AOA Medical Honor Society, East Tennessee State University; Johnson City, TN    |

|            |                                                                                                                                                                              |
|------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1996       | College of Medicine Dean's Scholarship Award, East Tennessee State University; Johnson City, TN                                                                              |
| 2001       | Men's Volunteer of the Year, The San Diego Lesbian, Gay, Bisexual, Transgender Community Center (The Center); San Diego, CA                                                  |
| 2002       | Associate Investigator Award, Veterans Affairs Medical Center; San Diego, CA                                                                                                 |
| 2005       | Study of superinfection, published 2004 in JAMA, selected for Discover magazine's 2004 "The Year in Science: Top 100 Stories" as story #41. Discover 26(1), January 2005.    |
| 2005       | Community Service Award, Transgender Community Coalition; San Diego, CA                                                                                                      |
| 2005       | Selected for National Center for Leadership in Academic Medicine; University of California, San Diego; San Diego, CA                                                         |
| 2005       | AIDS Walk San Diego's Outstanding Volunteer of the Year (Medical Area); San Diego, CA                                                                                        |
| 2008       | "40 Under 40" Award (honoring young San Diego leaders) from San Diego Metropolitan magazine; San Diego, CA                                                                   |
| 2008       | Nominated for the 2008 Kaiser Excellence in Teaching Award by the third-year students of the UCSD School of Medicine; San Diego, CA                                          |
| 2008       | Finalist for the 2nd Annual Health Care Champions Awards by the San Diego Business Journal; San Diego, CA                                                                    |
| 2009       | Awarded the Dr. A. Brad Truax Award (for outstanding achievement in the area of HIV/AIDS service) by the County of San Diego Health and Human Services Agency; San Diego, CA |
| 2010       | HIV Medical Association Research Award from the Infectious Diseases Society of America                                                                                       |
| 2012       | National Institute of Drug Abuse Avant Garde Award in HIV Prevention                                                                                                         |
| 2012, 2014 | UCSD Internal Medicine Residency Teaching Award from the Chief Residents                                                                                                     |

#### **OTHER SUPPORT**

##### ACTIVE (w/ current year total funding)

|                          |                         |
|--------------------------|-------------------------|
| K24 AI100665 (Smith, DM) | 05/01/2012 – 04/30/2022 |
| NIH/NIAID (PA-11-185)    | \$123,468               |

Mentoring Translational Research in HIV  
To mentor trainees in translational HIV research.

|                               |                         |
|-------------------------------|-------------------------|
| R01 AI118422-01A1 (Smith, DM) | 02/01/2016 – 01/31/2021 |
| NIH/NIAID                     | \$757,905               |

Perturbing the HIV Reservoir with Immune Stimulation

A two stage clinical trial to determine how vaccines can stimulate the immune system and induce viral transcription from the HIV reservoir.

|                         |                         |
|-------------------------|-------------------------|
| R01AI120009 (Smith, DM) | 07/01/2015 – 12/31/2019 |
| NIH/NIAID               | \$748,791               |

High-throughput Deep Sequencing Assay to Reliably Measure the HIV Reservoir during Antiretroviral Therapy

To develop and validate a combined next generation sequencing (Pacific Biosciences single-molecule, real time (SMRT) sequencing) and bioinformatics platform to accurately measure replication-competent provirus.

P30 AI036214 (Smith, DM)  
NIH/NIAID

04/15/2013 - 03/31/2019  
\$295,299

Center for AIDS Research

To provide core research equipment and resources to investigators to further collaborative research on the molecular pathogenesis of HIV.

R33 DA041007 (Smith, DM)

09/15/2015 – 7/31/2020

NIH/NIDA (R21 project period is 3 years and R33 is 2 years) \$682,808

Characterizing proviral populations in brain tissues

To develop and validate a combined next generation sequencing (Pacific Biosciences single-molecule, real time (SMRT) sequencing) and bioinformatics platform to accurately measure and characterize HIV DNA populations in brain and lymph node tissues.

P30MH062512 (Heaton, Robert K.)  
NIH

04/01/2016-03/31/2021  
\$295,299

HIV Neurobehavioral Research Center (HNRC)

A center that integrates and supports research into etiology, pathogenesis, phenomenology, treatment, and prevention of neuroAIDS.

P01 AI131385 (Smith, DM)  
NIH

03/01/2017 – 02/28/2022  
\$1,507,338

Revealing Reservoirs during Rebound (R3)

This program will investigate HIV-infected study volunteers who started HIV therapy during early infection and some who started during chronic infection; all of whom who interrupted this therapy.

R61 DA047039 (Smith, DM)  
NIH/NIDA

09/30/2018 – 06/30/2021  
\$886,022

Opioid Impacts on T Cell Pathways and Epigenetics to Modulate HIV Integration, Latency and Reservoirs.

This project is designed in a two-stage process (R61/R33) to tease out the mechanisms of how opioids impact: cellular receptor signaling for opioids, cellular co-receptors for HIV, epigenetic control (chromatin packing and methylation), and gene expression.

UM 1AI068636 (Kuritzkes: PI / Smith: Site PI)  
Brigham and Women's Hospital/ACTG Network/NIAID

12/01/2017-11/30/2019  
\$12,500

A5345: Biomarkers to Predict Time to Plasma HIV RNA Rebound

Major goals: To provide a template for future treatment interruption trials by providing data on participant safety and the effects of short-term treatment pauses. Dr. Smith is the PI/Protocol Vice Chair of this trial.
