Annual Research Day

A one-day symposium showcasing discoveries profoundly changing the study, treatment and prevention of HIV throughout the world.

Thursday, December 6, 2018

UC San Diego
SCHOOL OF MEDICINE

Medical Education & Telemedicine Building

Abstracts

Abstracts are invited on current HIV/AIDS clinical, public health, or laboratory-based research.

Preference will be given to submissions supported by the San Diego CFAR.

Abstracts are due by 4:00 PM on Wednesday, September 5, 2018.

See the Call for Abstracts for details.
